Video Lesson One: “Reach for the Stars” Reference Sheet

Since you're learning, it's totally okay to copy my design for practice purposes.

However, if you choose to post it on social media, please remember to give proper credit, as the design is my original work. (@bydawnnicole)

This is something you should get in the habit of doing any time you copy someone else's work or if your work is heavily inspired by someone else.

Copying is a great way to learn and grow your skills, but the end goal is to create original work in your own style, not be a copycat of someone else's style. :)
