### Basic Typewriter Lettering Style

This style was one of many taught in my "30 Days of Monoline Magic" lettering workbook.

### Procreate Project Brushes

You'll need a monoline brush and a streaky, textured brush. I'll be using the Oily Pastel brush from my Creativity Kit Brush Set.

You'll also need splatters. Some are built in to Procreate under the "Spraypaints" category. I'm using splatters from my Watercolor Lettering Kit as well as my Creative Lettering Brush Set.

### Level Up Lettering Exemplar

This is some lettering I did last year around this time that incorporates the Inky Old Typewriter style with other elements to create a more visually interesting piece of artwork!
